

## **AG SERVICE TECHNICIAN**

2 Positions (Lund, Nevada; Winnemucca, Nevada)

### **Job Description:**

- Diagnose and repair a variety of large commercial farming equipment, such as (but not limited to) tractors, balers, windrowers, and much more.
- Set up new equipment in preparation for delivery to customers.
- Travel to and perform onsite equipment setup and/or repairs at customers' locations.
- Stay up to date in advances of manufacturer's products and repair methods through online- and instructor-led trainings.
- Maintain a safe, clean, and organized work space.
- Provide training to customers both one-on-one and to large audiences.
- Maintain complete and accurate service records.

### **Qualifications:**

- High School Diploma
- 2 years technical training
- 5 years of professional service technician experience

### **Requirements:**

- Proficiency with Microsoft Office tools and web-based applications
- Ability to multitask in a fast-paced environment
- Exceptional attention to detail
- Excellent communication skills, both oral and written
- Customer-focused approach
- High degree of flexibility
- Demonstrated ability to work well in a fast-paced team environment
- Ability to work autonomously and research solutions for complex repair needs
- Able to handle the physical rigors of working on farm equipment.

### **Benefits:**

- 401(k) with generous company match
- Dental and Health Insurance
- Paid Time Off

### **Schedule:**

- Full-time, 8-hour shift
- Monday to Friday
- On Call
- Overtime

### **Pay Frequency:**

- Bi-weekly

### **Compensation:**

- Competitive hourly wage based on industry experience

### **Closes:**

- Open Until Filled
