HESSTON® 2100 Large Square Balers are known industry-wide for their peak productivity. Especially when they're paired with one of the most advanced tractors in the business – our Massey Ferguson® 8600 Series. With features like our exclusive pre-compression chamber and automatic bale density control, these balers get the job done, no matter what the crop or how heavy the windrow. See us soon or visit [Hesston.com](http://Hesston.com).

**Serious performance  
for serious producers.**
